*..for the equipping of the saints
for the work of the gospel...*

Ephesians 4:12

From the Director . . .

Every Christian is called to a unique and vital 'work of ministry' in the Kingdom of God!

Whether it involves reaching out to people on a mission field or next door... ministering from a pulpit, a kitchen or a construction site... each one of us has a purpose and a destiny to fulfil. For this, we all need a foundation in the Word of God which equips us to walk in the power of the Spirit, in daily relationship with our Heavenly Father.

The vision of Equip Bible School is to provide rigorous, biblical teaching relevant to the personal faith walk and calling of any believer. As such, the courses may be of benefit in themselves or as a precursor or addition to more formal theological study.

Discipleship is at the heart of Equip Bible School and inspiration has been taken from the model of Jesus, which included informal questioning, discussion, and learning in community. Classes are structured to include a discussion time to allow an opportunity to process and grapple with what has been taught. This has proven to be an extremely effective addition to the teaching of the Word. There is also a strong emphasis on attendance, reflecting this discipleship model.

Students are required to complete a Reflection and Review Task each term which will further serve to aid 'digestion' of the class content. Some class time will be made available in class in support of this task. There are no exams or essays.

Students may enrol for any or all individual subjects in a given year. This is designed to enable those with work and family commitments to access an expansive range of subjects, at a flexible pace.

The School is open to all believers in the local area and does not promote any particular culture or involvement in any particular church or ministry. Rather it aims to equip each believer through the Word to grow in their personal relationship with God, and their ability to be led by the Spirit of God, to serve in whatever location and capacity they are called to.

If you are seeking an opportunity to grow and be strengthened in your call in God, I invite you to partner with Equip Bible School!

Debra Nolan
Director

EBS Key Dates 2018

Equip Bible School offers one evening class per week on Monday evenings, generally with two subjects presented in an 8-week term.

Each subject is scheduled in a four-week block. The first subject will be offered in the first four weeks of the term, with the second subject offered in the remaining 4 weeks.

The last subject of the year will be presented in a more intensive format involving Saturday attendance.

Once enrolled, students may choose to study only one of the two subjects offered in a given term.

New enrolments must be processed by the due dates preceding each of the four terms. There are four opportunities to enrol in a given year (dates listed above).

Enrolment Applications	Due Date
Term One	14th January
Term Two	15th April
Term Three	5th August
Term Four	23rd September

Re -Enrolments	Due Date
Term One	28th January
Term Two	29th April
Term Three	19th August
Term Four	7th October

Students are required to submit an Enrolment Application once only, prior to initial entry to school.

Schedule

Time	Schedule
6.30pm	Doors Open
6.50	Announcements and Review Task
7.00	Teaching
7.40	Coffee break
7.55	Teaching
8.35	Group discussion
9.00	Finish

Fees

The fee per term is **\$110**. An initial enrolment fee of **\$30** is also payable on the first enrolment only.

If enrolled students choose to study only *one* of the two subjects offered for the term, whether during the first four-week block or the second four-week block, the fee for the single subject is **\$60**.

Students are asked to pay fees on or before the due date. If a student has not paid fees and has not contacted the Registrar to discuss this prior to commencement of a given course, they are not permitted to attend class.

Texts

At times, certain books will be chosen to enhance understanding of the class material. It is highly recommended that students purchase and read these in conjunction with attending classes.

In certain courses the text book will be compulsory, with reading assignments forming part of the Reflection and Review Task.

An opportunity to purchase texts through Equip Bible School, often at a discounted price will be made available to students in the term previous to the term in which they will be relevant. A limited number of these will be reserved for new enrolments who miss this opportunity.

Certification

Equip Bible School aims to create an easily accessible and affordable opportunity to grow in the Word for any interested Christian. In line with this aim, the school is not externally accredited.

On successful completion of each subject, students will be awarded a Certificate of Completion, presented annually at Hunter Christian Church. This will be dependent on complying with the Enrolment Contract, completing a Reflection and Review Task for each subject, and achieving an attendance of no less than 75%.

In the future, a Second -Tier course is scheduled to be added. Access to this course will require the Certificate of Completion of all the First -Tier subjects.
